

The Auxiliary of Richmond University Medical Center cordially invites you to join them by becoming a member. The Auxiliary is made up of dedicated men and women who are committed to promoting the interest of the Medical Center and the patients served through volunteerism and participation in fundraising activities, all in an effort to benefit the Medical Center.

Membership offers you an opportunity to partake in many activities while meeting others, making lasting friendships, learning new things and having fun.

Meetings are held the first Monday of the month between September and June (there are no meetings in July, August and January). The annual dues are \$20.00 per member payable at the September meeting.

We welcome you to join us.
